2. Attachment-Based Meme Assignment Flow

Instead of redirecting to a separate page, meme templates function as an ****inline attachment**** inside the post creation drawer—similar to attaching a photo in messaging apps.

```
[ User on Profile / Feed ]
|
▼
[ Clicks "Add Comment / Roast" Text Box ]
|
▼
[ Clicks "Meme Attachment" Icon (🖼️) ]
|
▼
[ Inline Meme Picker Drawer Opens ]
| └─ Search Indian Meme Templates (Bollywood, Web Series, Classic)
| └─ Select Template Thumbnail
| └─ Input Overlay Text (Top Text / Bottom Text)
|
▼
[ Clicks "Attach to Roast" ]
|
